Intelligent Power Systems Built for Zero Interruption

INTELLICORE™

The Intelligence Behind Every Evoltix Solution

IntelliCore is the power management system built into every Evoltix product. It delivers the automation, analytics, and visibility that keep mission critical sites online with less effort and increased reliability.

ZPM™

Intelligent Backup Power

- ✓ Smarter than a UPS
- ✓ Battery-first, zero downtime
- ✓ Hours of runtime
- ✓ Intelligent monitoring
- ✓ Proactive alarms and alerts
- ✓ Scales with demand

VAULT POWER SHELTER

Turnkey Hybrid Power

- ✓ Built for off-grid and extreme sites
- ✓ Pre-integrated and ready to deploy
- ✓ Supports grid, generator, renewables
- ✓ Integrated ZPM with IntelliCore
- ✓ Multiple configurations available

VAULT POWER CABINET

Self-contained Smart Power

- ✓ Integrated power cabinet
- ✓ Secure, climate-controlled
- ✓ Space for customer equipment
- ✓ Integrated ZPM with IntelliCore
- ✓ Renewable-ready
